See notes on reverse for important information

**Note:**

1. Students in the Program must have access to a computer that has audio capabilities with speakers/headphones and Microsoft Office Suite (2003—PC version; 2004 Mac version). Students must know how to access and make mp3 recordings. Additionally, students must be able to make and view videos (Quicktime or mp4) as well as have access to Skype for phone conferencing.
2. Students enrolled in the Certificate Program may apply for the Masters in Teaching Excellence and the credits earned in this program will be applied towards the Masters in Teaching Excellence as per The Sage College's policies.
3. Students enrolled in the Assessment Certificate Program must have access to most recent editions of standardized assessments in literacy, specifically the *Woodcock Johnson Achievement Test*, and the *Wide Range Achievement Test* ; additional choice instruments will be required and must be approved by your instructor in MTX 503.
4. Students in the certificate program must have access to video equipment such that student videos may be submitted in 'mov' format.
