

**Articulation Agreement between  
Schenectady County Community College – AS in Computer Science Program  
&  
Sage College of Albany – BS Computer Information Systems Program  
October 14, 2003**

**Objective**

This Articulation Agreement is intended to facilitate the transfer of qualified students currently enrolled at Schenectady County Community College (SCCC) into the Bachelor of Science in Computer Information Systems Program at Sage College of Albany (SCA). Counselors at SCCC can use the information in this agreement to advise current SCCC students, as soon as they express an interest in the SCA Computer Information Systems Program, as to which SCCC courses should be taken prior to application for transfer.

**Terms of the Agreement**

This Articulation Agreement, once signed, will be effective immediately and must be reviewed and reapproved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure for review and reapproval shall be as follows:

1. the latest available catalogs of the two institutions are reviewed by the SCA Computer Science Coordinator and the revised draft is prepared by the SCA Computer Science Coordinator
2. a final draft is signed by the Department Chairs of both institutions and by the appropriate administrator of both institutions

All of the most-recently published rules for accepting transfer students into programs at SCA apply. The Agreement supplements but does not supercede or replace what was written in the latest SCA Catalog.

SCA agrees to accept for transfer into the B.S. program in Computer Information Systems Program up to 60 credit hours earned by a student at SCCC who takes the courses listed below. Only courses with earned grades of C- or better will transfer, and students who attain a combined Grade Point Average (GPA) of 2.5 in courses with the prefix of CIS and TEL courses, will automatically be admitted into the SCA Computer Information Systems program.

This Agreement covers courses taken at SCCC only. If a student from SCCC has credits on their transcript from other institutions, the published SCA rules for accepting transfer credit will apply to those credits.

If a student from SCCC wishes to transfer without having completed all of the courses in this Agreement, they are assured that the identified equivalent courses with grades of C- or better will transfer but Junior year status and outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained if 54 or more of the credits are transferred. All transfer students must meet with a Computer Science advisor at SCA to plan their courses and to determine how many semesters are required for degree completion.

**Courses Remaining to be Taken at Sage College of Albany**

<b>Sage Major Requirements</b>	<b>CrHrs</b>
CSI 126, Intro to CS II	3
CSI 150 Advanced Computer Literacy	3
CSI 210, Workstation Architecture	3
CSI 241, UNIX	3
CSI 301, Database Applications II (Oracle)	3
CSI 312, Java	3
CSI 438, Technology and Culture	3
CSI 485, Applied Computing Internship	3
<b>LIFE Requirements (General Education)</b>	
Interdisciplinary Seminar	3
<b>Additional Electives</b>
