Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the A.A. Degree Program at SUNY Cobleskill into the Graphic + Media Design B.F.A. Program at the Sage College of Albany. Advisors at SUNY Cobleskill can use the information in this agreement to advise current students when they express an interest in the Graphic + Media Design Program as to which SUNY Cobleskill courses should be taken prior to application for transfer.

Terms of Agreement

This articulation agreement, once signed will be effective immediately and must be reviewed and re-approved in the same manner hereafter, in order to remain in effect. The procedures of review and re-approval shall be as follows:

- The latest available catalogs of the two institutions are reviewed by the SCA Graphic + Media Design Program Coordinator and the revised draft is prepared by the coordinator.
- A final draft is signed by the department chairs and appropriate administrators of both institutions
- All of the most-recently published rules for accepting transfer students into programs of SCA apply. The agreement supplements, but does not supercede or replace what was written in the latest SCA catalog.

SCA agrees to accept and transfer into the B.F.A. program up to 66 credit hours earned by the student at SUNY Cobleskill who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and the students who attain a combined Grade Point Average (GPA) of a 2.5 in courses will automatically be admitted into the SCA program. A portfolio review is also a requirement for admission.

This agreement covers courses taken at SUNY Cobleskill only. If students from SUNY Cobleskill. have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits.

If students from SUNY Cobleskill wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with C- or better will transfer, but outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained, if 54 or more of the credits are transferred. All transfer students must meet with a Graphic Design Advisor to plan their courses and to determine how many semesters are required for degree completion. Degree completion may vary by student, according to the number of credits transferred and scheduling.
