SAGE COLLEGE OF ALBANY
ART + EXTENDED MEDIA – B.F.A.

Articulation Agreement between Hudson Valley Community College, Fine Arts A.S. program into the Sage College of Albany, Art + Extended Media, B.F.A.

Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the Fine Arts A.S. program at Hudson Valley Community College into the B.F.A. Art + Extended Media program at the Sage College of Albany. Counselors at HVCC can use the information in this agreement to advise current students as they express an interest in the Art + Extended Media program as to which HVCC courses should be taken prior to application for transfer.

Terms of Agreement

This articulation agreement, once signed will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

All of the most-recently published rules for accepting transfer students into programs of SCA apply. The agreement supplements, but does not supercede or replace what was written in the latest SCA catalog.

SCA agrees to accept and transfer into the B.F.A. program up to 64 credit hours earned by the student at Hudson Valley Community College, who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and the students who attain a combined Grade Point Average (GPA) of a 2.5 in courses will automatically be admitted into the SCA program.

This agreement covers courses taken at HVCC only. If students from HVCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits.

If students from HVCC wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with C- or better will transfer, but outright admission into the program will not be guaranteed. All transfer students must meet with an Art + Extended Media Advisor to plan their courses and to determine how many semesters are required for degree completion. Degree completion may vary by student, according to the number of credits transferred and course scheduling. A portfolio review is also a requirement for admission.
