

**Articulation Agreement between Russell Sage College and
Schenectady County Community College**

Education

Objective

To provide an opportunity for those qualified students at Schenectady County Community College (SCCC) who wish to pursue a BS in Education to enter Russell Sage College as juniors and complete their BS degree.

Terms of the Agreement

Russell Sage College agrees to accept for transfer into the BS program up to 60 credit hours earned by a student at SCCC who takes the courses listed below. Only courses with earned grades of C or better will transfer. An overall GPA of 2.75 is required.

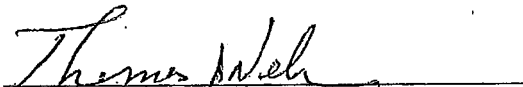

This agreement will be reviewed at least once every two years. It can be renegotiated at the request of either institution, especially if there is substantial change in relevant curricula at either institutions.

This agreement covers courses taken at SCCC only. If a student from SCCC has credits on his/her transcript from other 2-year or 4-year institutions, the published Russell Sage rules for accepting transfer credit from those institutions will apply to those credits.

If a student from SCCC wishes to transfer without having completed all of the courses in this Agreement, he/she is assured that the identified equivalent courses with grades of C or better will transfer.

*In order to receive credit for these courses at Russell Sage College, students will need to have completed 50 hours of documented supervised observations at SCCC. Observation opportunities are requirements in PSY 221 Educational Psychology, TET 221 Foundations of Education and TET 252 but students will need to complete more observation hours than required in each course to meet the 50 hour Russell Sage requirement. It is important that students carefully document hours and it is strongly suggested that they archive them in the TET 252 final portfolio.
