

## **ACCOUNTING AGREEMENT: SCCC and THE SAGE COLLEGE OF ALBANY**

Articulation Agreement between Schenectady County Community College, A.A.S. in Accounting and the Sage College of Albany, B.S. in Accounting

### Objective

This articulation agreement is intended to facilitate the transfer of qualified graduates of Schenectady County Community College in the A.A.S. Accounting program into the B.S. Accounting program at The Sage College of Albany. Counselors at Schenectady County Community College can use the information in this agreement to advise current students as they express an interest in the Accounting program as to which SCCC courses should be taken prior to application for transfer.

### Terms of Agreement

This articulation agreement, once signed will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure of review and re-approval shall be as follows:

The latest available catalogs of the two institutions are reviewed by the SCA Accounting Program Co-ordinator and the revised draft is prepared by the SCA Program Co-ordinator.

A final draft is signed by the department chairs or Deans of both institutions and by the appropriate administrator of both institutions.

All of the most recently published rules for accepting transfer students into programs at SCA apply. The agreement supplements, but does not supercede or replace what was written in the latest catalog.

SCA agrees to accept and transfer into the B.S. program up to 66 credit hours earned by the graduate at SCCC, who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and students who attain a combined Grade Point Average of 2.5 in courses will automatically be admitted into the SCA Accounting program.

This agreement covers courses taken at SCCC only. If students from SCCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits. If admitted, SCCC graduates from SCCC will be granted junior status at SCA, if 54 or more of the credits are transferred. All transfer students must meet with an accounting advisor to plan their courses and to determine how many semesters are required for degree completion. Students who follow the courses listed in the agreement should be able to complete the B.S. program in two years of full time study. Degree completion however, may vary by student, according to the number of credits transferred, appropriate courses taken, and course scheduling.
