

## BUSINESS AGREEMENT; SCCC AND THE SAGE COLLEGE OF ALBANY

Articulation Agreement between Schenectady County Community College, Business Administration, A.S., and the Sage College of Albany, B.S./BBA in Business Administration,

### Objective

This articulation agreement is intended to facilitate the transfer of qualified graduates currently enrolled in the A.S. Degree in Business program at Schenectady County Community College into the B.S. Business Administration program at the Sage College of Albany. Counselors at Schenectady County Community College can use the information in this agreement to advise current graduates as they express an interest in the Business, Administration B.S. program as to which Schenectady Community College courses should be taken prior to application for transfer.

### Terms of Agreement

This articulation agreement, once signed, will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure of review and re-approval shall be as follows:

The latest available catalogs of the two institutions are reviewed by the SCA Chair of Undergraduate Programs. A final draft is prepared and approved by the Department Chairs of both institutions, and signed by the appropriate administrator of both institutions.

All of the most recently published rules for accepting transfer graduates into programs at SCA apply. The agreement supplements, but does not supercede or replace, what was written in the latest catalog.

SCA agrees to accept and transfer up to 66 credit hours earned by the graduate at Schenectady County Community College, as described in the agreement. Only courses of earned grades of C- or better will transfer, and graduates who attain a combined Grade Point Average of 2.5 in courses will automatically be admitted into the SCA Business Administration Program.

This agreement covers courses completed at Schenectady County Community College. If graduates from SCCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits. Outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained, if 54 or more of the credits are transferred. All transfer graduates must meet with a Business advisor to plan and schedule program courses to determine how many semesters are required for degree completion, and most efficiently complete program requirements. This articulation agreement and course equivalencies will also apply to the on-line business program as a part of Sage On-line.
