

Articulation Agreement between Hudson Valley Community College, Business Administration, A.A.S., and The Sage Colleges, Sage College of Albany, Sport and Recreation Management, B.S.

Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the A.A.S. Degree in the Business Administration program at Hudson Valley Community College into the B.S. Sport and Recreation Management at The Sage Colleges, Sage Colleges of Albany. Counselors at Hudson Valley Community College can use the information in this agreement to advise current students as they express an interest in the Sport and Recreation Management, B.S. program as to which Hudson Valley Community College courses should be taken prior to application for transfer.

Terms of Agreement

This articulation agreement, once signed, will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure of review and re-approval shall be as follows:

The latest available catalogs of the two institutions are reviewed by the SCA Chairperson and the revised draft is prepared by the SCA Chairperson.

A final draft is signed by the department chairs of both institutions and by the appropriate administrator of both institutions.

All of the most recently published rules for accepting transfer students into programs at SCA apply. The agreement supplements, but does not supersede or replace, what was written in the latest catalog.

SCA agrees to accept and transfer into the B.S. program up to 66 credit hours earned by the student at Hudson Valley Community College, who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and students who attain a combined Grade Point Average of 2.50 in courses will automatically be admitted into the SCA Business Program.

This agreement covers courses taken at Hudson Valley Community College only. If students from HVCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits.

If students from Hudson Valley Community College wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with C- or better will transfer, but outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained, if 54 or more of the credits are transferred. All transfer students must meet with a Business advisor to plan their courses and to determine how many semesters are required for degree completion.

This articulation agreement and course equivalencies will also apply to the on-line business program, as part of Sage Online.

BUSINESS ADMINISTRATION: AAS DEGREE

CORE REQUIREMENTS

THE SAGE COLLEGES TRANSFER EQUIVALENCIES

(Credits)	Class	(Credits)	Class
