Articulation Agreement

between

Hudson Valley Community College, Digital Media A.S.

and

The Sage Colleges, Graphic + Media Design, B.F.A.

Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the HVCC Digital Media A.S. into the Graphic + Media Design B.F.A. program at The Sage Colleges. Counselors at HVCC can use the information in this agreement to advise current students as they express an interest in the Graphic + Media Design program at Sage as to which courses should be taken prior to application for transfer.

Terms of Agreement

The latest available catalogs of the two institutions are reviewed by the appropriate Department Chairs/Program Directors from each institution. Department Chairs/Program Directors of both institutions and the appropriate administrator of both institutions must sign the revised documents.

This articulation agreement, once signed, will be effective immediately and must be reviewed and re-approved in the same manner at least once every three years hereafter in order to remain in effect. It can be renegotiated at the request of either institution, especially if there is substantial change in relevant curricula at either institution. Either college may amend or terminate the agreement, giving the other one year written notice.

(TSC) agrees to accept and transfer into the Graphic + Media Design B.F.A. program up to 61 credits earned by the student at HVCC and who takes the courses listed below.
