

Missing Asset Letter

Dear Student and Parent(s):

The Financial Aid Office has received the electronic results of your 2021-2022 Free Application for Federal Student Aid (FAFSA).

A review of these results indicates that you must provide asset information for you and/or your parent(s). Review items 41 through 43 and items 90 through 92 and make the necessary corrections. If you have not already done so, please correct your information with the federal processor. If you filed online, go to studentaid.gov to correct this information. If a paper application was filed then update Part 2 of the Student Aid Report (SAR) and return the corrections to the processor by mail. **Unless otherwise requested, please do not mail a copy of your tax return or the SAR to the Financial Aid Office.**

If you have any questions regarding this letter, please contact the Financial Aid Office in Albany at (518) 292-1783 or in Troy at (518) 244-4525.

Sincerely,
The Financial Aid Office
