

Articulation Agreement between Schenectady County Community College,
Business Administration, A.A.S. and A.S. and
Russell Sage College, School of Management,
Business Administration, B.B.A./B.S. & Sport & Recreation Management, B.S.

Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the Business Administration program (A.A.S. or A.S.) at Schenectady County Community College (SCCC) into the Business Administration B.B.A./B.S. or Sport and Recreation Management B.S. programs at Russell Sage College (RSC). Counselors at SCCC should use the information in this agreement to advise current and future students as they express an interest in the Business Administration program or the Sport and Recreation Management program at RSC as to which SCCC courses should be taken prior to application for transfer.

Terms of Agreement

This articulation agreement once signed will be in effect immediately (April 1, 2021), and must be reviewed and re-approved in the same manner at least once every five years, in order to remain in effect (by April 1, 2026).

The procedures of review and re-approval shall be as follows:

RSC's School of Management Department Chairperson reviews the latest available catalogs of the two institutions and prepares the revised draft. A final draft is signed by the department chairs of both institutions and by the appropriate administrator at both institutions.

All of the most-recently published rules for accepting transfer students into programs at RSC apply. This agreement supplements, but does not supersede or replace what was written in the most current RSC catalog.

RSC agrees to accept and transfer into the applicable B.B.A./B.S. School of Management program (as itemized on the following pages) up to 66 credit hours by the student at SCCC. Some of the equivalent courses are listed below. Only courses of earned grades of C or better will transfer, and students who attain a combined Grade Point Average (GPA) of 2.5 in courses will automatically be admitted into the RSC program. This agreement only covers courses taken at SCCC. If students from SCCC have credits on their transcripts from other institutions, the published RSC rules for accepting transfer credit will apply to those credits. If students from SCCC wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with a grade of C or better will transfer, but outright admission into the program will not be guaranteed. If admitted, and if 54 or more of the credits are transferred, junior status at RSC will be attained. All transfer students must meet with the appropriate RSC advisor to plan their courses and to determine how many additional semesters are required for degree completion.

Students interested in eventually transferring to RSC through this articulation agreement are encouraged to contact the Director of Transfer Admission (transfer@sage.edu) to discuss transferring to RSC.
