

National Student Loan Data System Over Loan Limits

Dear Student,

The Financial Aid Office has received the results of your 2022-2023 Free Application for Federal Student Aid (FAFSA).

Based on the data provided by the National Student Loan Data System (NSLDS) and your grade level, we have determined that you may have received a total amount of student loans that is close to or exceeds the loan limits established for the federal loan programs. You should review the information on Page 4 of your student aid report. This could effect your ability to borrow federal student loans or the amount you are eligible to receive.

If you have any questions regarding this letter please contact the Financial Aid Office in Albany at (518) 292-1783 or Troy at (518) 244-4525.

Sincerely,

The Financial Aid Office
