

**A Collaborative Agreement between The College of Saint Rose and  
Russell Sage College School of Health Sciences  
Occupational Therapy Program**

This Collaborative Agreement allows **The College of Saint Rose** graduates to transition into health professions programs at the Russell Sage College School of Health Sciences.

This Collaborative Agreement provides for:

- Preferred acceptance (on a space available basis) into the Occupational Therapy Master's or Doctorate Program at Russell Sage College School of Health Sciences for students who have a) completed a Sage application for OT and program-specific prerequisite courses, b) completed an acceptable series of courses at **The College of Saint Rose** leading to a baccalaureate degree, and c) obtained a satisfactory recommendation from **The College of Saint Rose** faculty and an additional recommendation letter;
- Waiver of the Russell Sage College School of Health Sciences application fee;
- Early acceptance;
- Access to Russell Sage College School of Health Sciences advisors to coordinate undergraduate electives and coursework to satisfy prerequisites for the graduate program (contact appropriate individuals as indicated below);
- Opportunity to apply early for Graduate Assistantships at Russell Sage College School of Health Sciences

This agreement will be reviewed at least once every two years. It can be renegotiated at the request of either institution, especially if there is substantial change in relevant curricula at either institution. Either college may terminate the agreement, giving the other one year written notice. Offers by Russell Sage College School of Health Sciences for admission tendered to students prior to termination shall remain valid and will be honored by the Russell Sage College School of Health Sciences for the year they were offered. The Chairs/Program Directors of the respective departments will be responsible for implementation of the agreement.

**Articulation Agreement between The College of Saint Rose and  
Russell Sage College School of Health Sciences  
Occupational Therapy Program**

**The College of Saint Rose** and The Russell Sage College School of Health Sciences have developed a collaborative agreement to provide qualified students from **The College of Saint Rose** who wish to pursue an MS or Doctorate in Occupational Therapy (OT) from the Russell Sage College School of Health Sciences preferred admission as indicated below. This collaborative agreement provides for:

- Preferred acceptance into the Russell Sage College School of Health Sciences for students who have completed occupational therapy program course prerequisites and with completed application;
- Waiver of the Russell Sage College School of Health Sciences application fee;
- Early acceptance;
- Access to Russell Sage College School of Health Sciences advisors to coordinate undergraduate electives and coursework to reduce or eliminate prerequisites in the graduate program;
- Opportunity to apply early for Graduate Assistantships at Russell Sage College School of Health Sciences

**Terms of the Agreement: Occupational Therapy Admission**

**The College of Saint Rose** students will receive preferred admission to the Russell Sage College School of Health Sciences for the MS in OT degree, or the Doctorate in OT (OTD), who demonstrate the following:

- a. Earned baccalaureate degree
- b. Minimum overall 3.25 GPA that includes the completion of occupational therapy program prerequisite courses with grades of C or better (see prerequisite courses listed below) and a 3.0 prerequisite science GPA (Anatomy and Physiology I and II)

To be given priority in placement in the OT Program students agree to submit the following information:

By **June 1** of the year preceding graduation from the **The College of Saint Rose**:

1. Complete application online at: <https://www.sage.edu/admission/graduate/>
  - The career goals essay & resume can be submitted with the online application.
  - **For OTD Candidates:** Submission of a clear and concise personal essay supporting the applicant's rationale to pursue the OTD as a degree with careful attention to your ideas toward a desired **doctoral capstone experience**. The doctoral capstone is a 14-week practicum experience in an advanced area of learning that occurs separate from your level II fieldwork experiences. Consider a topic area you may be interested in in any of the following areas of occupational therapy: clinical practice skills, research skills, administration, leadership, program and policy development, advocacy, education or theory development.
  - The supplemental forms can be emailed as attachments to [graduate@sage.edu](mailto:graduate@sage.edu) this includes: clinical observation form, program prerequisite record, OT program academic standards statement.

Effective: October 1, 2021

Forms can be found at:
