COVID-19 REQUIREMENTS

Before You Arrive:

- Individuals who are sick or in isolation or quarantine must remain at home.
- All attendees should be screened or self-screen for fever and COVID-19 symptoms before leaving home for the event.
- If are feeling ill, have symptoms of COVID-19, or have potentially been exposed to someone with confirmed or suspected COVID-19, you should not attend the graduation event.
- While those fully vaccinated are no longer required to wear masks, the Albany County Department of Health is currently recommending masks in all indoor spaces.
- Those unvaccinated or not fully vaccinated are required to wear masks, and those who are immunocompromised are encouraged to do so.

MPV Arena 51 S Pearl St Albany, NY
COVID Vaccine Requirements

- Guests will be required to provide proof of recent COVID-19 testing or vaccination before being allowed in the stadium.
  - Proof of completed vaccination (2 weeks after your second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine such as Johnson & Johnson’s Janssen vaccine)
    - Your final dose must be completed by Saturday, April 30, 2022
    - Proof of vaccination must include your name and can be shown via downloading the NY Excelsior Pass on your phone or showing a hard copy or photo of your completed vaccination card.
  - Proof of negative results from a PCR test taken within 72 hours of the ceremony.
    - PCR (lab) test taken no earlier than Wednesday, May 11, 2022.
    - Proof of negative test lab results must include your name and state either “negative” or “not detected.” A hard copy or photo/screenshot of the test result is acceptable. Results that say pending will not be accepted.
  - Proof of negative results from an antigen home test taken within 6 hours of the ceremony.
    - Antigen test taken on Saturday, May 14, 2022.
    - A hard copy or photo/screenshot of the test result is acceptable. Inconclusive results will not be accepted
  - Recovered (within the prior 90 days) from COVID-19 infection:
    - If you have fully recovered from a lab-confirmed case of COVID-19 in the last three months, and do not have any recent or current symptoms, you are not required to produce a recent negative diagnostic test result, but must provide proof of illness and recovery (e.g., proof of a prior positive test result or completed order of isolation within the last 90 days via a note from a doctor or medical provider that includes your name.)
