

## Adjusted Gross Income Letter

Dear Students and Parent(s):

The Financial Aid Office has received the electronic results of your 2023-2024 Free Application for Federal Student Aid (FAFSA).

A review of these results shows that the reported taxes paid by you and/or your parent(s) is equal to or greater than the amount you reported for their adjusted gross income.

If you have not already done so, please correct your income information with the federal processor. If you filed on-line then you can go to [www.studentaid.gov](http://www.studentaid.gov) to correct this information. If a paper application was filed then update Part 2 of the Student Aid Report (SAR) and return the corrections to the processor by mail. **Unless otherwise requested, please do not mail a copy of your tax return or the SAR to the Financial Aid Office.**

If you have any questions regarding this letter, please contact the Financial Aid Office in Albany at (518) 292-1783 or Troy at (518) 244-4525.

Sincerely,

The Financial Aid Office
