The Financial Aid Office reserves the right to request additional information or documentation proving what you list on this form is correct. You may also attach a letter to this form explaining your situation.

If you are an **INDEPENDENT** student, complete **SECTION I** and **SECTION II**.

The rent each month is \$400 and three of you live in the apartment. You would take the amount of rent \$400, divide it by three (# in household) which is \$133.34 each.
