Russell Sage is a small, affordable private college in upstate New York launching graduates into fulfilling careers and equipping them to transform communities.

Undergraduate students receive guidance along a curated and shared path, positioning them for the workforce with at least two significant resume-building experiences, including internships, clinicals, and active and service learning opportunities through the RSC Core. Academic and career success blooms with a strong personal foundation, and students enjoy holistic support from the time they receive their welcome boxes to the day they complete capstone experiences.

Graduate programs meet areas of high workforce demand, such as healthcare and education, and are tailored to practical application, with delivery methods that empower today’s busy students.

A Russell Sage graduate will forever “Be. Know. Do.”— enhancing their lives and the lives of those around them.
The Russell Sage College logo and wordmark are used to identify Russell Sage College. The logo and wordmark should appear on all publications that are affiliated with Russell Sage College.

The following are examples of the positive and reversed applications of the primary Russell Sage College logo.

All logo versions are available with and without the tagline. The version with the tagline is the preferred logo, when possible.

Although the full-color logo is preferred, one-color applications of the mark can be used in solid sage green, reversed white or black (not shown). The reversed versions of the logo should be used on a background of the primary sage green, when possible.

The position and spacing of the symbol in relation to the wordmark may not be altered.
The primary (dominant) Russell Sage College brand color is gator green. It should be the predominant color used in promotional and internal communications.

The secondary (subordinate) brand color is hudson blue.

The tertiary (accent) brand colors are warm gray, bright green, and dark green.
LOGO VARIATIONS

Horizontal Mark
The logo should not be used smaller than 1/4” in height, if possible. When reduced to below this size, the type becomes unreadable. Any use below 1/2” in height should not include the tagline.

A minimum area of clear space should always surround the Russell Sage College logo, separating the mark from other elements such as headlines and text or the outside edge of the printed piece. This protected area preserves legibility and visual impact.

The diagram to the right shows how to calculate the minimum clearance around the Russell Sage College logo.

As a unit of measurement, “X” equals the cap height of the institution name. The clear space should always be equal to or greater than the cap height (X) of the institution name.
LOGO MISUSE

Maintaining visual consistency is vital to preserving the integrity and recognition of the Russell Sage College brand. The logo should always be seen clearly and with impact. It should be positioned away from any competing graphic and/or text and stand out from the background. Examples shown here illustrate several unacceptable uses of the Russell Sage College logo.

Do not reproduce the logo in an unapproved color.

Do not alter the placement of the logo elements.

Do not distort or rotate the logo.

Do not use the logo on a background that is distracting and interferes with legibility.

Do not use the logo on an unapproved color background.

Do not add a shadow to the logo.

Do not add your own text to the logo.

Do not isolate the graphic mark and add new text.

Program Name
An alternative configuration can be used in instances where the institution’s wordmark is used in combination with the name of a specific school.
For general usage on communications, departments or offices should use the primary Russell Sage College logo. However, an alternative configuration can be used in instances where the department or office identity needs to appear combined directly with the Russell Sage logo.

These logo treatments cannot be used on websites, stationery or business cards.
The seal is used when referring to Russell Sage College in the most formal manner.

For example: presentations, graduation materials, formal event invitations, signage and communications from the president.

The seal is primarily used in dark green (PMS 342). The seal may be used in black, white or silver foil.
