

**A Collaborative Agreement between Siena College and
Russell Sage College School of Health Sciences
Occupational Therapy and Physical Therapy Programs**

This Collaborative Agreement allows **Siena College** graduates to transition into health professions programs at the Russell Sage College School of Health Sciences.

This Collaborative Agreement provides for:

- Preferred acceptance (on a space available basis) into the Occupational Therapy Master's or Doctorate degree programs, or the Physical Therapy Doctoral degree program, at the Russell Sage College School of Health Science for students who have a) completed a Sage application for OT or PT and program-specific prerequisite courses, b) completed an acceptable series of courses at **Siena College** leading to a baccalaureate degree, and c) obtained a satisfactory recommendation from **Siena College** faculty;
- Waiver of the Russell Sage College School of Health Science application fee;
- Early acceptance;
- Access to Russell Sage College School of Health Science advisors to coordinate undergraduate electives and coursework to satisfy prerequisites for the graduate program (contact appropriate individuals as indicated below);
- Opportunity to apply early for Graduate Assistantships at Russell Sage College School of Health Science

This agreement will be reviewed at least once every two years. It can be renegotiated at the request of either institution, especially if there is substantial change in relevant curricula at either institution. Either college may terminate the agreement, giving the other one year written notice. Offers by Russell Sage College School of Health Science for admission tendered to students prior to termination shall remain valid and will be honored by Russell Sage College School of Health Science. The Chairs of the respective departments will be responsible for implementation of the agreement.
